PUBLIC SERVICE COMMISSION OF WISCONSIN**

Application of Milwaukee Water Works, Milwaukee County,  
Wisconsin, for Authority to Increase Water Rates

**MOTION TO SUSPEND SCHEDULE AND FOR SECOND PREHEARING  
CONFERENCE**

---

Applicant Milwaukee Water Works ("MWW"), pursuant to Wis. Admin. Code § PSC 2.23(1), hereby moves the Commission for an order, pursuant to Wis. Admin. Code § PSC 2.04 (1), suspending the schedule in this docket and scheduling a second prehearing conference to set a revised schedule.

The Commission, the Hon. Michael E. Newmark presiding, established a schedule for the completion of this matter in the prehearing conference memorandum issued on March 17, 2010. Judge Newmark issued the Order to Modify Schedule --changing the date of hearing-- on March 29, 2010.

The parties and members of Commission staff filed direct and rebuttal testimony in accordance with the March 17, 2010 schedule. Sur-rebuttal testimony is scheduled to be filed no later than 12:00 p.m. on June 3, 2010. The hearing is scheduled to begin at 10:00 a.m. on June 8, 2010.

In light of discussions over the course of the last several days, MWW and members of Commission staff have concluded that, based on information contained in testimony prefiled to date, is appropriate for MWW to update the information previously provided to staff in order to permit staff to revise its revenue requirement. Therefore, MWW believes that a relatively short extension of the existing schedule deadlines is

appropriate. MWW would hope that the hearing could be held in July, rather than in June as now scheduled.

MWW respectfully suggests that the most efficient way to explore alternative dates would be in a second prehearing conference, and so moves the Commission to schedule that second prehearing conference and to suspend the existing schedule pending the setting of a new schedule. Upon information and belief, MWW states that staff agrees with this request.
